WHAT TO EXPECT

Prints

We will talk through your event details such as color scheme, location, and guest count. Then together we will come up with what information you want on the print. I will do the designing, show you the final edit then send it to the printer.

Decor

You can choose how much decor you want me to bring. We can do florals, grass wall backdrops, bubble tents, bar carts, centerpieces and more. If you have a special idea - let me know and we can see what works.

Coordinating

Depending on the size of the even and the package you chose, I will help with logistical coordination. I can run errands, set up tables, chairs and decor you already have, make sure venders are running smoothly. Pretty much anything to make you, the host, enjoy your event.
